Nacho Crisps & Dips | Crusties | Nuts & Kernels | Wraps & Taco Shells

Brand Overview

In 2009, Greendot Health Foods Pvt. Ltd. set out to revolutionize the snacking industry in India with the launch of Cornitos. We introduced our signature Nacho Crisps to the nation, and since then, we've successfully bridged the gap between health and taste. Our product range has expanded to include Nuts & Kernels, Tortilla Wraps, Taco Shells, Dips, and other premium gourmet snacks. Throughout this journey, our commitment to high-quality products has earned us a loyal following among snack lovers, both in India and globally.

In 2022, we introduced Crusties, a uniquely zesty, zigzag-shaped extruded snack available in a variety of bold flavors. This innovative snack quickly caught the attention of consumers with its fresh twist on classic favorites.

In 2024, we've taken Crusties to new heights by adding exciting flavors and introducing a fresh shape: Balls. The Crusties Puff Balls are available in two delicious varieties: Classic Cheese Ball and Honey Chilli Potato. Along with these new shapes, we've expanded the flavor lineup, reaffirming our dedication to delivering bold and innovative snacking experiences with vibrant flavors like Korean Chilli, Peri Peri, and Sour Cream & Onion.

Mission

Promising to revolutionize the Indian FMCG market. Greendot Health Foods Pvt. Ltd. seeks to create a benchmark in the branded snack food category by delivering innovative products to the global consumer. Our company motto is to make healthy gourmet snacks with high quality ingredients.
